## **Worship and Reflection**

Worship and Reflection is an alternative way to worship, a chance to take time out from our busy lives and spend time with God during the week, in silence, in prayer, in song and in praise.

Those who have experienced this new service have appreciated and benefited from the different and new opportunities to worship God.

Join us to explore worship that is multi-sensory, imaginative, creative, traditional and modern. Mixing new technologies and worship material with ancient pathways. Our aim is encourage you to experience a mix of different types of worship, meditations and prayer including Taize, and Celtic styles.

**May the road rise up to meet  
you  
May the wind be always at your  
back  
May the sun shine warm upon your  
face  
And the rain fall soft upon your  
fields  
Until we meet again  
May God hold you  
In the hollow of His hand.**
